

Kenji Alvarado

Brand & Visual Designer

Crafting bold identities, one pixel at a time — 7 years turning ideas into brands people remember.

• Lisbon, Portugal • hello@example.com • example.com/kenji-portfolio • @kenji.creates

ABOUT

Multidisciplinary designer blending branding, illustration, and motion to help startups and cultural organizations tell stories that stick. I lead identity projects end-to-end — from research and concept to the final pixel — and love collaborating with founders who want their brand to feel as bold as their ambition.

EXPERIENCE

- Senior Graphic Designer

Studio Lumen, Lisbon

2021 – Present

→ Lead brand identity design for 20+ clients across fashion, hospitality, and tech

→ Direct a small design team on integrated campaign rollouts

→ Built motion-graphics templates adopted across all client social content
- Freelance Visual Designer

Self-employed

2019 – 2021

→ Designed identity systems, packaging, and editorial layouts for independent brands

→ Illustrated murals and installations for two city arts festivals
- Junior Designer

Kaleido Creative Agency, Barcelona

2017 – 2019

→ Supported art direction for print and digital ad campaigns

→ Produced concept illustration and moodboards for pitch decks
